Director Herman Yau and acclaimed actor Anthony Wong reunite in this shocker of the same genre as "The Untold Story" and "Ebola Syndrome". During Japan's wartime occupation of Hong Kong in 1941-1945, a young translator's collaboration with the enemy results in his life being cursed by a murdered "comfort woman" forced to become a sex slave. Forty-five years later, the man's sins come back to haunt his son, a professor specializing in sleeping disorders, when the lady's ghost returns for vengeance.

香港日佔時期，翻譯員林醒因為和日軍合作，致使某少女慘遭欺凌致死，她於臨死前向林醒設下詛咒。45年後，林醒的兒子林惜家已是有名的醫學教授，為了研究父親的致死性失眠症，林惜家開始了恐怖實驗，然而令人意想不到的危險也悄然而至……
